OUR RETAIL

Eisman Gleit Four Star offers *extensive Retail Shelf Maintenance servicing over 750 Supermarkets* throughout our entire area.

The goal of our retail staff is to **ensure the optimum sales of products** we are responsible for at store level. Some facts about Retail Shelf Maintenance are:

-  Without **properly maintained shelf tags**, items are not reordered.
-  **Even good items can fail without effective Retail Shelf Maintenance**, causing loss of expensive slotting fees and introductory allowances.
-  The **Eisman Gleit** retail staff **focuses exclusively on the candy shelf**.
-  Eisman Gleit **sells and maintains many permanent items** on the candy shelf.
-  Off Shelf displays create **large incremental sales**.
-  Eisman Gleit provides the **most consistent, most effective, most reliable service and Retail Shelf Maintenance Program** in existence today.
